DESCRIPTION: Natural Gas Firm & Indexed Pricing, Firm & Interruptible Supply & Heating Fuel Oil

PLEASE ADDRESS INQUIRIES TO: James Patrick CMS1 | 518-408-1026 | james.patrick@ogs.ny.gov

Users of Natural Gas Interruptible supply that will switch over to Heating Oil during interruptible and/or curtailment events are reminded that before switching to heating oil it is a requirement that you must have a minimum of a 10 day supply on hand at all times.

Where a 10 day supply is not physically possible then there should be full tanks available during the upcoming coldest parts of the year.

In the colder months delivery delays may occur and we request that you plan ahead and work with your fuel oil supplier to ensure an adequate supply. During these events please be aware that other facilities may be designated a human needs customer placing them as a higher priority. Such as hospitals and nursing homes for which having heat is essential.
